

# Brake Fluid and Brake Grease

# The Choice of Champions

- ☉ Leader in braking since 1961
- ☉ Manufactures brake systems for the OE, replacement, performance, and racing industries
- ☉ Premium quality materials and manufacturing process
- ☉ Patented technologies for improved durability and performance
- ☉ Engineered for safety, comfort, and performance on the road

## Every Car Deserves Brembo

# Brembo Premium DOT 4 Brake Fluid

- ⊗ Recommended for all vehicles, especially in warm or humid climates
- ⊗ Longer brake fluid life
- ⊗ 100% compatible with OE brake systems including vehicles with ABS
- ⊗ Meets or exceeds all DOT specifications
- ⊗ Packaging: 1 box: twenty-four (24) 500mL bottles. 250mL, 1L, 5L and 20L packaging available upon request
- ⊗ ICC Tested and approved
- ⊗ MSDS available upon request

Every Car Deserves Brembo

# Brembo DOT 4 Specifications

Brembo DOT 4	Parameter	Brembo
	ERPB	$\geq 245^{\circ}\text{C}$
	Wet ERPB	$\geq 157^{\circ}\text{C}$
	Viscosity ( $-40^{\circ}\text{C}$ )	1500 cSt max

Every Car Deserves Brembo

# Brembo Premium DOT 5.1 Brake Fluid

- ⦿ Recommended for high performance vehicles
- ⦿ Enhanced performance for road and light track use
- ⦿ 100% compatible with OE brake systems including vehicles with ABS
- ⦿ Greater temperature resistance
- ⦿ Meets or exceeds all DOT specifications
- ⦿ Packaging: 1 box: twelve (12) 1L bottles (500mL packaging available upon request)
- ⦿ Exempt from ICC testing. DTI certificate available upon request
- ⦿ MSDS available upon request

Every Car Deserves Brembo

# Brembo DOT 5.1 Specifications

Brembo DOT 5.1	Parameter	Brembo
	ERPB	≥ 260°C
	Wet ERPB	≥ 180°C
	Viscosity (-40°C)	900 cSt max

# Brembo B-Quiet Brake Grease

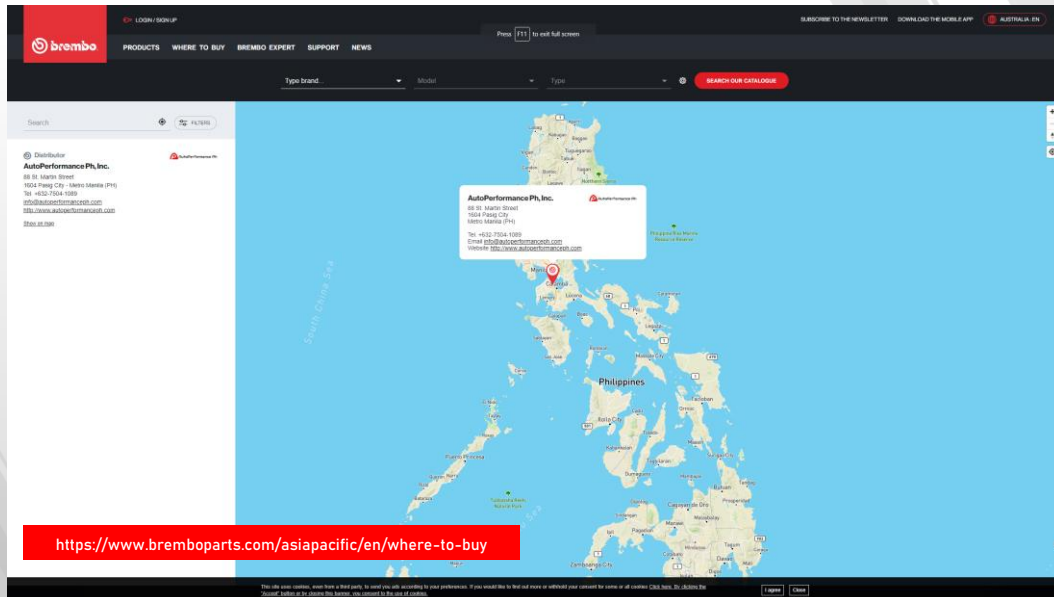

- ☉ Reduces brake noise
- ☉ Extends life of entire brake system
- ☉ Protects against corrosion
- ☉ Water and heat resistant
- ☉ 100% compatible with OE components
- ☉ Water and heat resistant
- ☉ Also useable for battery terminals, seat sliders, sunroof rails, compressors and centralized lubrication systems
- ☉ Packaging: 1 box of thirty (30) 75ml tubes
- ☉ MSDS available upon request

Every Car Deserves Brembo

# AutoPerformance Ph

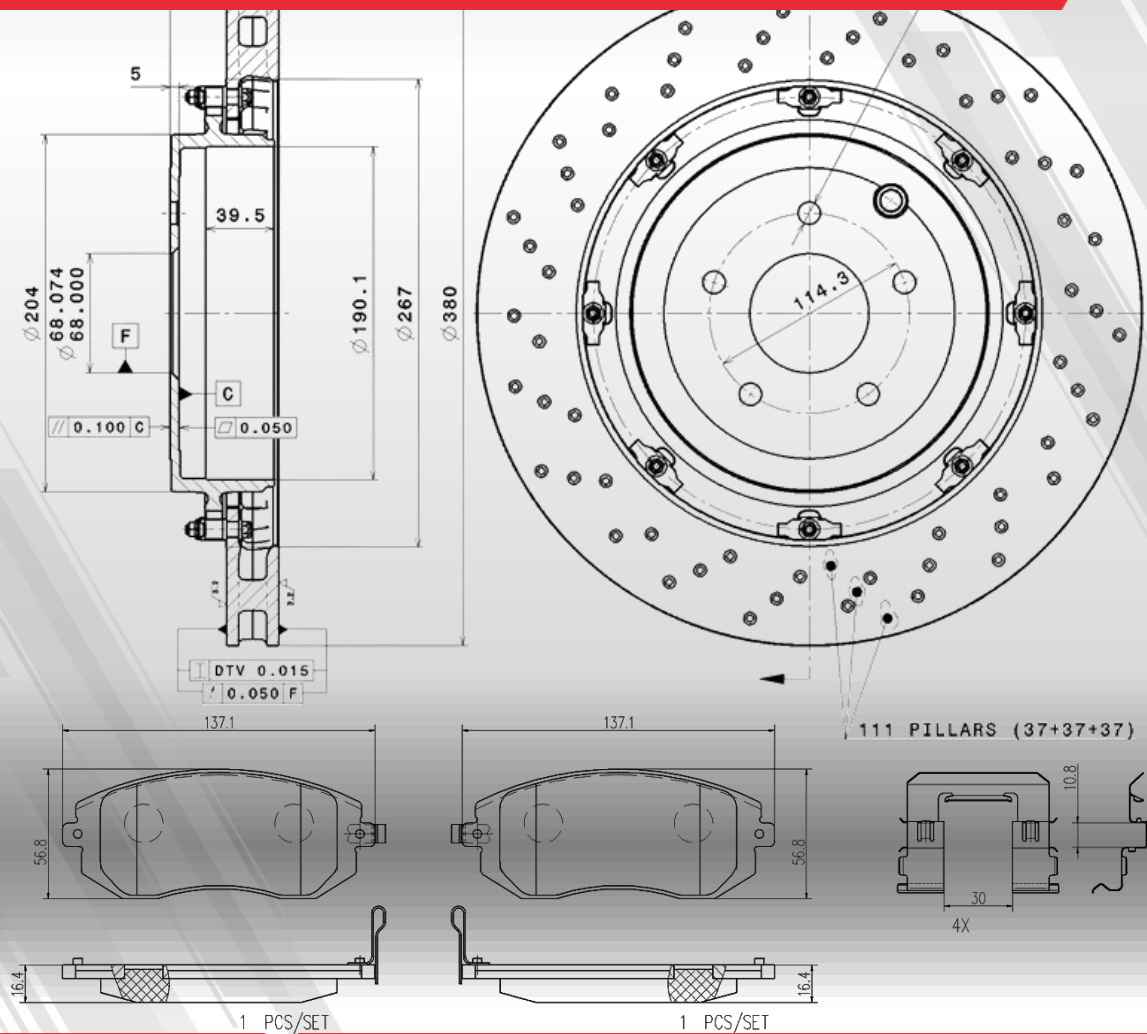

- ☉ Since 2012, AutoPerformance Ph is the sole Philippine distributor of Brembo Brakes
- ☉ AutoPerformance Ph distributes Brembo Aftermarket, Brembo High Performance and Brembo Racing
